*25 years!* Feats of Clay XXV is in the works!

I spent some time going through the last 24 years of Feats of Clay this past few weeks while off on knee surgery, renewing my faith and commitment to this wonderful Art Exhibit in little old Lincoln CA. It's hard to believe that this successful event started with just a few board members and their dream of an art exhibit to raise money for the arts, (Lincoln Arts) your community's only Non-profit resource to the arts. After 10 years as E.D. I'm still in awe every time I visit the upstairs part of GMB as one of the first to see the artwork in that beautiful, if not dusty, venue. It still takes my breath away.

This year we really need help with Funding of this 25 year old event. Please become a sponsor. A \$100.00 membership/donation level or more, will make you a part of the 25th year. Your name and donation amount will be printed in the 25th year Feats of Clay program as a sponsor and member. You will for the first time ever, have the opportunity of staking a claim in this event that brings so much to your community. Feats of Clay has given to the community in such a large way, please give back and help us make the 25th year the very best it deserves to be.

Thank you so much for your support,

**Holiday Shoppe

**[Call to Artists](#)  
[November 1 - December 20](#)**

**[Entry Deadline October 28, 2011](#)**

It doesn't seem possible that fall is already upon us, and, therefore, winter will follow close on its heels. For many years the holiday season at Lincoln Arts has meant our annual Holiday Shoppe which provides a place for local and regional artists/crafters to sell their work. It also provides a place for locals to purchase gifts and décor for a reasonable price.

We plan to feature a selection of not only some of the finest art in Placer County, but fine hand made crafts, small giftables, ornaments, and holiday décor as well. Please pass the word! Though we will accept higher priced works, it is our experience that items which we can sell for \$20 or less sell the best.

With the price of gas and the economy what it is, more people are looking for bargains close to home. We hope that locals will plan to make our gallery their first stop with their Christmas list in hand. This will be a win/win situation! The community will have fine arts and crafts to give their loved ones, artists will make a little

extra to pay their holiday bills without the bother or expense of renting a booth at a crafts fair which may or may not draw a good crowd, and Lincoln Arts will take a small percentage to keep our doors open. How can we lose with a partnership like that?

Please begin making some things with our Holiday Shoppe in mind and feel free to call us at: (916) 645-9713 or drop by the gallery to let us know what you plan to bring. Then join us Nov. 1 - Dec. 20, 2011 to do your own holiday shopping. Space is limited, so we may not be able to display everything that you bring, but you are welcome to bring extra stock which we will put out as pieces sell (Don't forget business cards for special requests). Rotating our stock will guarantee a fresh and new look and encourage shoppers to return several times and bring their friends and neighbors.
