

Press Release
Art Needed

Immediate release

Artists! Lincoln Arts needs you to donate your work for the Inaugural Art & Wine Auction which is coming up October 24th at the Pavilion. This Gala event is expected to bring art not only from Lincoln Artists but from across the nation. It will be well publicized, and is expected to become an annual event with 2 silent auctions, no-host bar, live music, and a glorious array of hors d'oeuvres to choose from. It will be held in conjunction with the Chair'ity Affair Auction in which artists decorate antique chairs in their own fanciful ways. With so much going on this should draw a large crowd. Both 2 and 3 D work will be accepted. This is a wonderful way to have your artwork seen by the ready-to-purchase art lovers in the community and help your local non-profit arts organization at the same time. Your donations are tax deductible. Each donor will also receive 2 tickets to the affair and a drink ticket for their donation. Please call the gallery at: (916) 645-9713 for more information about taking part in this great party.
